

Construction Update - Week of October 27 ****UPDATE****

Limonite Progress Schedule

Contractor is working on Stage 3. Field activities will consist of traffic signal improvements at both intersections, completion of improvements of median island along Limonite Avenue.

Ramp and Street Closures

Contractor will be taking alternating lane closures on Limonite Ave on both Jurupa and Eastvale sides as they slurry seal the asphalt. Due to material specifications this work has to be completed with sunlight and will require daylight closures.

During the week night work closures will be taken every night this week. Please see schedule for closures.
